01908 373241 or lesandrich20@googlemail.com

Refreshments will be served following the performance

This original work was first performed in Holy Week 2015 by members of Churches Together in Kineton, Warwickshire. These members and friends including local teachers and students put Rev Barry Jackson's lyrics to music and Rev Dawn Saunders arranged and directed it.

This 2019 adaptation has musicians and singers from all around the MK area coming together to perform this newly arranged and orchestrated version. It is Rev Dawn's sabbatical project.
