Minister's Report

Downs Barn Minister's Report 2014 - 2015

What is our DNA as a church? What I'm now going to say can't be the whole of the answer but I think it's an important part of the answer and I think it's true of Cross & Stable Church. We care for one another and we welcome and care for the newcomers. Yes, we won't always get it right, but I do think it's there in our DNA. It's been put to the test in the last year: several of our members, much loved and in several cases very longstanding, have come to the end of their lives this side of glory. Our thoughts and prayers are with those experiencing a very personal loss. At the same time we have welcomed a number of new people – new to our congregation and in some cases new to the area.

Our DNA as followers of Jesus will surely also include the longing to worship him and know more of him. I'm grateful to all those who've put time and care into leading worship over the last year, and to the home team who rally to with such goodwill and flexibility to make sure services run smoothly and those who come are made welcome. It has been encouraging to see numbers on Sunday morning creeping upwards.

Going back to nearly a year ago, I was personally pleased that we were able to include Good Friday worship in our programme last year, and that people came. To me that is such an important time to think and to pray. How can we understand Easter without Good Friday, or Good Friday without Easter?

Christmas saw some real encouragements, with our invitations to the community bearing some fruit. We had a joyful and well-attended Signed Carol Service and we were putting out extra tables to accommodate the 45 or so people who came to our informal café-style Family Carols on Christmas Eve at 6.00 pm.

Jane & I are continuing with our BSL studies at MK College. We both passed BSL Level 1 and are now doing Level 2. Jane is further advanced than me; I'm pinning my hopes on finding more time to practise while on sabbatical in order to have a chance of passing! Our hope is that we will be better able to build up this particular part of our worship and ministry as a church. We have a wonderful team of signers, with young George now a regular part of the team alongside Jen and Sue, with Matt sometimes helping too. We need to be able to care for those who come and encourage others to join us.

We welcomed people from the local community last year for a Christian Aid Coffee Morning in May and then for a well-attended end-of-summer party at the end of August. On the same day as the Coffee Morning we also hosted a service and 'bun fight' for the Oxford Diocesan Bellringers' Guild. Then in January Peter & Chris pulled together a wonderful party attended by members of different Centre user groups as well as many members and friends of the church. Who can forget the manic party games, or Richard's sing-along, or the Cairo Cats' performance?!

Going back to our DNA, and learning more of Jesus, we saw six people baptised in church on the morning of 16th November 2014: Persh, Amanda, Sophie, Chloe, Katie and little Jessica. All of them bar Jessica then went on to affirm their faith at the Ecumenical Confirmation service in the afternoon of the same day at the Church of the Servant King, Furzton. Sophie, Chloe and Katie did their preparation as part of a lively Youth Emmaus course through the autumn term, together with Niah and Khanda. Thank you to Gill for helping me with that important time. At present we are $\frac{3}{4}$ of the way through a short Lent course, using material for adults from the Emmaus resources. It's been a creative time of thinking and fellowship. I hope there'll be ways in the future of building such activity into other parts of the year.

Family Tots, like many of the things I've mentioned already, includes welcome, friendship, hospitality and worship. We welcome people from different backgrounds and faiths and they feel at home with us. There's a special atmosphere with children relaxed in play and making friends, and adults growing in friendship too. We have a wonderful regular team at present of Tracy, our coordinator, helped by Dina (and occasionally Jane), with Shirley and Joy serving wonderful refreshments. We would like to add to the team. We think back with a mixture of sadness and gratitude to Joan and Marion who so loved to come and help and are no longer with us, and we miss Amanda's capable help while she steps back for the present for health reasons. One 'fruit' of Family Tots has been a couple of wedding bookings (one for 2015 and one for 2016).

At the time of writing, we are in the middle of the 'Easter Cracked' programme. Our local schools, Southwood and Brooksward, both welcome the presentations ('Christmas Cracked' too, of course). Do come and help and experience the show when you have a chance. I'm grateful for the welcome I receive in our local schools (add Germander Park and Downs Barn Schools to the above) for assemblies and other activities. Recently we have welcomed children from Downs Barn School into church for a visit, and in Brooksward I had a fascinating time earlier this month answering questions put to me by Year 6 children – searching questions which led me straight into needing to talk about the big truths of our faith.

At the other end of the age range, thank you to those who lend a hand when they can with the monthly services at Highclere House and Neath House care homes. Please remember these times in your prayers.

The Conniburrow 'Big Local' has now formally constituted itself as a 'partnership' with elected partners. I was elected as one of the 'non-resident' partners. I'm looking forward to running a palm cross-making table, to bring a bit more of Easter than just chocolate eggs into the 'Spring' event the day before Easter. There are real opportunities for us to be involved in serving our local communities, more for me than diary and time often allow, but I'm conscious that we must regard this, as for so much more, as a 'team effort' to which we can all contribute in different ways.

The next three months, with my sabbatical coming soon (13th April – 12th July), will be the team minus myself. My sabbatical is beginning to take shape: a short retreat at Hilfield Friary in Dorset, followed by two months of weekly commuting to Southall in SW London volunteering on an A Rocha conservation project in a very multicultural, built-up area, and then the fulfilment of a long-held dream: to go with Jane and Ruth to visit an A Rocha project on the Kenyan coast and then take them to Uganda, the country of my birth and where I worked a while too as a teacher.

I'll look forward to being back with you in mid-July and will pray that those months will be a good and fruitful time for the church too.

The Reverend Andy Jowitt, March 2015

Churchwarden's Report

Another year since we last met in this formal way and, I think, it has been as good year for the Cross and Stable.

Several things make me feel it has been a good year and I would like to share these with you.

First and foremost has been the steady Sunday by Sunday worship in this building where our numbers increase, slowly. But encouragingly and, of those joining us in worship, a slow increase in the numbers of young people who join with us with so much enthusiasm and Joy.

We have always been a welcoming congregation and it is a joy to be a part of that welcome we all share. We share in the success of the Mums and Toddlers group who meet every Friday afternoon and we are grateful to our Members involved in the running of the Group and providing refreshments for those who attend.

During the year Andy our Vicar had his post successfully reviewed and we share in that success with him. We are grateful for the effort he puts into the leading of our Worship and hope he will have a successful Sabbatical during 2015 and come back refreshed. We appreciate the hard work he has put into providing cover for when he is away and we pray for a good space and time for him to refresh himself.

In our growing numbers, the number of people volunteering to contribute to our worship each week continues to increase and we all share and enjoy their contributions.

I cannot close without a warm thank you to the small band of musicians who support our hymn singing week by week and, of course, our signers

In closing, I am very grateful for the help I receive from the Vicar and the congregation as, without it, I would be unable to function –thank you

Worship Report

The Worship Team meet about six weekly to review past services and to plan for the future. Many other issues are also discussed including types of service, preachers and hymns.

The normal pattern of services is an Anglican Eucharist on the first Sunday of each month [signed], a Methodist style Eucharist on the second. Sunday, a Baptist style on the third Sunday and a non-Eucharistic service on the fourth Sunday.

When there is a fifth Sunday, the form of service is varied according to ministerial availability.

We are very grateful for the Vicar's guidance of this Group although we have been less diligent than usual through the latter part of this year – a matter we are improving during 2015.

Our worship is made possible through the efforts, week by week, of a number of volunteers who make the building into a church each Sunday and, sometimes, unmake it on the same day. You may not be aware that, apart from ourselves, four other Christian groups meet in the building every week

If you notice anything in which you would like to share, please talk about it to any member of the Worship Team who would be delighted to hear from you.

Equally, if you have any concerns or thoughts about our worship, you are welcome at any of the meetings

Ruminate Report

This men's social gathering continues to meet at various locations in Milton Keynes as a group for men to socialise and enjoy fellowship with each other.

There is variation in the Meetings in that at some we eat and chat, at some we listen to a visiting speaker, at some we take part in a quiz and sometimes we walk between a meeting place and a pub.

No membership of any church is required; a meeting of men for the sake of fellowship – all are welcome.

Stantonbury Ecumenical Partnership Representatives' Report

The Partnership remained financially stable during 2014, but this was because we did not pay the wages for a non-conformist minister for six months. The Rev. Chris Howden, who was the Baptist Minister at Christchurch, retired last June. During the interregnum the Baptist Manse has been let to a student minister who is working in Newport Pagnell.

The cost of the Parish share is £148,000 in 2015. Cross & Stable can only pay £10,000.

The official "Sharing Agreement" for New Bradwell Church, St James, between the Church of England, the Methodists, the Baptist Union and the United Reformed Church has been signed, so they can now receive half of the proceeds from the sale of the Methodist Chapel. The Church Officers are now making plans to improve facilities in the building.

In July David Wilson retired as a Lay Preacher, and in December Rev Liz Baker, who was a nonpaid Minister in the Parish, moved to a position with the Episcopal Church of Scotland. This year Rev. Peter Ballantine will also retire. Rev Mindy Bell (Methodist) will move to Slough in August. She will be replaced by a Methodist ordinand, Nicola Martyn-Beck.

The Partnership continues to support Citizens MK at a cost of £500 a year. Current issues include transport in MK, Social Care and the issue of Asylum. Citizens MK is a "campaigning organisation" If you would like to attend their meetings please let us know.

In 2014 the churches in the Partnership arranged several successful Easter Cracked and

Christmas Cracked presentations for children in year 6 of our local Schools. These events teach the young people, in a fun way, the Christian meaning of these festivals.

St Andrews Church have produced a booklet about Great Linford and the First World War. They also held a Remembrance Service that was very well attended.

SEP now has a revised and up to date policy for Safeguarding Children and vulnerable adults. All the Churches must comply with this.

The Partnership Trustees are grateful that Ruth Kennedy has agreed to be the new Minute Secretary.

The SEC Annual General Meeting will be held at Bradwell Church on April 7th at 7.30pm.

EVERYBODY WELCOME.

Gill Grant and Bob Cross

Mission Partnership

The Mission Partnership continues to focus on Christian Faith via proclaiming the good news of the Kingdom; teaching, baptising and nurturing new believers; responding to human need by loving service; seeking to transform unjust structures in society; and striving to safeguard the integrity of creation and sustain the life of planet earth.

Within 2014 the mission Partnership resolved to become a Charitable Incorporated Organisation (CIO). The application to register as such was accepted by the Charity Commissioners on 16 November 2014. The new Trustee body will have to be set up and hopefully launched at the AGM on 10th June.

Three coMPass courses of adult learning were set up: one a Journey through the Bible from Genesis to Revelation with Carolyn Sanderson; Sharing Faith with John Robertson, and from March to April Choosing the Right Government with Stephen Mosedale.

A new prayer page on the Mission Partnership website (MissionPartnership.org.uk) consisting of a daily prayer topic, reading and reflection to develop the prayer life of the churches.

The March 4th Assembly looked at the Call of Jeremiah through prayer and opened out our own responses to God's call to mission through us.

Bell Ringers' Report

A positive and progressive year for the Ringers at Cross and Stable. Most Sunday's we have had at least 8 ringers and sometimes well in excess of 8 which means the bells have been put to good use in calling the community to join Worship. Practices have also been well attended and on a couple of occasions we have been joined by the local Branch as there is a dearth of 8 bell towers in which to Practice. We are very grateful for the continuing support the Reading family and Graham Bartholomew from Loughton.

We have been pleased to welcome Amanda, Chloe and Katie to our ranks from the congregation. They have made excellent progress, learning to ring and are now contributing fully on Sunday Services and at practices. They were elected as members of the Oxford Diocesan Guild of Church Bell Ringers last Saturday which is a measure of their competence. We will be pleased to see another couple of learners anytime soon.

We hosted the Oxford Diocesan Guild of Church Bell Ringers AGM in May 2014 with over 100 attending to ring and worship before enjoying tea and their meeting. We took the opportunity to celebrate the 21st anniversary of the installation of the bells, a project which had been made possible by the efforts of the Guild and Guild Members. Patricia Newton who donated the tenor bell, and Sheila Watts who donated the Treble bell were both present at the meeting as well as many of

the volunteers who had designed, build, painted and installed the bell frame.

We have had a number of visiting teams come to ring and their donations are swelling our fund steadily. We will soon need new ropes as the current sallies (fluffy bits) are getting very thin.

Plans for this year include an outing to Leighton Buzzard, a ring of 13 bells where the heaviest bell is 36cwt (our heaviest bell is 6cwt) and a peal in September to celebrate the reign of Queen Elizabeth II as the longest serving monarch.

Thank you all for your support and encouragement, especially Bob and Peter and to Gwen for the much needed coffee when we arrive for Sunday morning ringing."

Alan Marchbank, Tower Captain

Cross & Stable Management Committee

The Cross and Stable Trustees are an independent charity and use a Management Committee to run the building. The Committee rents the building to various users including the church and operates at a small profit, keeping sufficient reserves for future repairs.

As well as church members the committee has as members Beverley Labbett, Ric Brackenbury and Suzanne Miles.

The Management Committee continues to manage the use of the building, to supervise the cleaning and gardening contract, to arrange and manage bookings and to care for the fabric.

Action has been taken to ensure that all users have appropriate Safeguarding (Child Protection) Policies in place.

During 2014 major work was done and is included in the following list. Total cost of this during 2014 was £15,761.69. Grants towards this of £5000 were received from the Charities.

Cross and Stable Charities

The Cross and Stable Charities is an independent charity that runs the 6 workshops in the Stable Yard. Its profit is available primarily for the work of Cross and Stable.

The profit to March 2015 will be very low as large sums were spent on renovations..

Recent grants include £2,000 to St James for preparatory work for complete refurbishment, £1,400 to St Lawrence for tree work £5,000 for C&S Stable for tower and £3500 Christ Church for toilet refurbishment and £1000 to Venture X.

The current balance held by the Partnership is £2,300.

The annual meeting of the charity will receive a full report and accounts and is to be held in June.

Andy Jowitt, Ken Brine, Paul Brookman, Peter Green, Alice Maynard: Directors, 17th March 2015

Photocopier

We do have our own photocopier and it is available to anyone by appointment at a fraction of the cost of commercial copiers. 2p a copy - even for colour!

The copier is little used and at the moment it is mainly used by Paul Smith for Willen and St James, the Circuit for the Plan, Mission Partnership, SEP, Water Eaton for Reports and of course by ourselves. We've only done 38,000 copies in the year so there is plenty of spare capacity.

We make a quarter penny profit per copy. Enough to pay for a Twelfth Night Party!

Peter Green, 17th March 2015

Treasurer's Report

The financial records for 2014 were kept as receipt and payment accounts. The figures were prepared monthly and presented to the Officers at bi-monthly Church Meetings.

A sum of £2361.54 was received as tax returned on gift-aided donations. We can now claim a gift-aided tax rebate on all cash donations of £20 and less. The final account at the end of December shows that the shortage of receipts against payments was only £280.68.

In 2014 a sum of £10,000 was paid to SEP as our share of the Mission Partnership Quota. It should be noted that this is less than a half share of a minister's salary, without other costs.

£140.80 was collected at the December signed Carol Service and forwarded to the Hearing Dogs for the Deaf People. Our other appeals raised £205.75 for MK Hope Outreach; £77 for the Gideon Bible Society; £110 for Bridgebuilder booklets for our local schools.

The cost of the new carpet at the east end of the church was donated by members. The amount collected for Christian Aid Week was £395.26 which was paid directly into Christian Aid's account.

Thank you for your generous giving during 2014.

Please continue to support the work and worship at Cross and Stable in 2015.
