Buildings

Peter Green reported that we had applied to WREN for a grant and a reply was expected in September £3325 Grant and £5000 Cross and Stable Charities. Various Contractors have responded, some very expensive. Stillips the firm Ken new of were probably the cheapest so far. Peter has the plans for anyone to view should they like to. Plan C. is to keep the main corridor free to move food and drink to and fro from the main hall. Andy Jowitt asked if there would be an island in the kitchen. Peter not at the moment but a mobile island could easily be added later.

Of course the Trustees will need to be informed for their approval. Two are present at this meeting Andy Jowitt and Janet MacLean who saw no problem but a formal letter to them about the toilets and kitchen refurbishment is required.

Chairman's Report

Bob Cross said that Anna Ford of the Wednesday coffee event evenings would like a table tennis table. Peter Green said that a potable light weight table that is easy to store could be purchased.

Any Other Business

Janet Maclean asked if we knew who had keys to the building? Peter said that we did know but couldn't stop key holders passing on their keys to other people. Janet said that the Parish council could handle the bookings and relieve Peter of this task. Andy Jowitt said there was a forth coming event **Bringing People together** on 30th July from 10am to 12 noon if that was possible. Peter said that the hall was available most Saturday mornings,
